## Schedule

1:10 p.m. Reception desk opens

1:30 p.m. ①Lecture “Natural disasters in Inuyama”

What natural disasters will occur in Inuyama?  
Let’s learn characteristics of them with video.

②Preparation for a natural disaster

You have a good chance to know emergency kit, examples of food and daily necessities in person.

It’s useful not only for living in a shelter but also a period of time when the supply of water, gas and electricity is not working.

③Experience of first-aid treatment

When someone get injured.

When someone choke on something.

When the heart stops. (training for heart massage)

④How to carry an injured person

You can learn how to transport a person who can’t move.  
(Carrying method without using any device)

⑤Experience earthquake shaking

You can get on “Earthquake simulation vehicle” to experience a simulated earthquake with an intensity of 7: same scale as the Great East Japan Earthquake in 2011.

4:00 p.m. End
